You'll waste money fighting off developers, a great man once said you can't fight progress and you can't. So please tak your efforts and put them to good use like more police in the area, better roads, maybe even some budget cuts that would lead to tax cuts, use you good intentions and do something good. |

| <input checked="" type="checkbox"/> | 13  | Bill Schreur's property & private land across the river abutting state game park.  |  |  |
| <input checked="" type="checkbox"/> | 58  | Schreur, DeHaan property and 4 privately owned parcels across Flat River. Highest priority should be given to lands which abutt large tracts of land already preserved (primarily state and county lands) and which also abutt the Flat River. |  | And land as to provide wildlife corridors contiguous to these areas as to provide wildlife corridors and maximum recreational opportunities. |
